Seatbelt Adjuster™

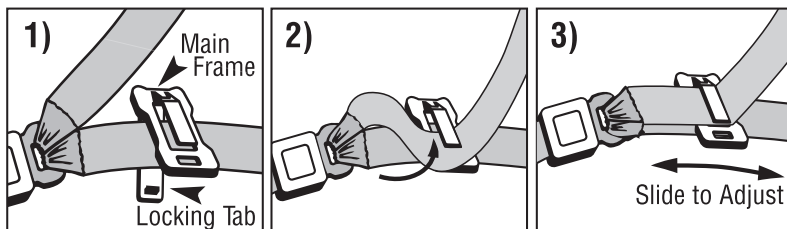

- Great for long distance driving
- Works great with children
- Easy to set and use
- One Year Guarantee

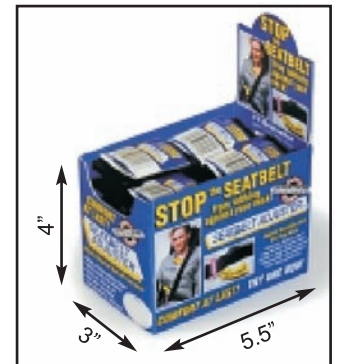

Stop the Seatbelt from rubbing against your neck!

Buckle your seatbelt and check it is not twisted.
 Slip the **Seatbelt Adjuster™** over the lap belt.
 Slip the shoulder strap under and slide it away from the buckle to put the seatbelt away from your neck and/or chest.

Remains permanently fastened to the lap belt
